Woodcote Park

Sweeping down towards Epsom Racecourse, the tree-lined grounds make for a dramatic backdrop to a perfect golfing experience.

Woodcote Park Golf Club is part parkland, part downland and measures 6,814 yards, making it one of the longer courses in the county.

"Notable holes include long, difficult par fours at the 5th, which doglegs right past three diagonal cross bunkers towards a left to right sloping green, and the 10th, where the fairway rises gently to a two-tiered, sand-protected green. The 481-yard par five 18th is a fine closing hole, offering a late birdie opportunity." **Top100golfcourses.com**

The 350 acre Woodcote Park also features a hotel with squash and tennis courts, a gym, a full size indoor swimming pool, treatment rooms, three restaurants, bars and accommodation.

It is also home to the Club's Motor House which displays the Club's heritage fleet.
